

## MY FLOOR FILM & LAMINATE

MyFloor Film & Laminate is a classic floor film made of a calendered vinyl film with a gray back and an antislip laminate. MyFloor Film & Laminate is used at POS and can also be used indoors on nearly any surface.

### Durability

Up to 6 months for indoor applications.

### Printing method

UV curable inks, solvent, ecosolvent and latex.

### Storage

Shelf life is 12 months from the date of delivery. Storage conditions +15°C to +24°C and relative humidity between 40% and 65%.

### Waste handling

It is recommended to handle the used material and production waste as industrial waste.

### Warranty

Continental Grafix products are warranted to be free of defects in material and manufacture at the time of shipment and to meet the specifications stated in the technical specification sheets. We will replace or refund the price of any Continental Grafix materials found to not meet our product specifications. In no case shall Continental Grafix be liable for any direct, indirect, or consequential damages, including labor or non-Continental Grafix materials charges. The determination of suitability of this product for any specific use is solely the responsibility of the user. No representations, guarantees or warranties of any kind are made to the accuracy of suitability for specification.
